Register by phone (07 3256 4822) or online

citynorthbaptist.com/sundays

Register only for the service that you will attend.

If you are unable to attend a service, please watch the recording at the livestream link provided in your newsletter. You may also like to consider joining with other households for the online service as is COVID safe.

If you are not registered and come along, we are highly unlikely to be able to provide a place for you (because of capped numbers). We're sad that we cannot accommodate everyone at this time, but appreciate everyone's understanding as we work within the regulations required of us. Please consider attending one of our other services, if possible.

Prepare

Please wash your hands before arriving and make use of the sanitiser on site throughout the building.

Please arrive at least 15 minutes before the service for check-in.

Bring along a water bottle if you would like to have access to water during the service (the kitchen will not be accessible).

If you are unable to attend, please contact the office (07 3256 4822) so that someone else can attend.

If you are unwell or displaying any flu-like symptoms (fever, cough, sore throat, shortness of breath), please stay home at this time.

If you have travelled overseas (in the past month), please stay at home.

Attend

When you arrive, a welcomer will check you in and direct you to an area to be seated in the auditorium.

Seating will be in household groups, socially distancing from others (1.5m).

The welcomers will direct you to a section to be seated and remain (for the duration of the service).

If children are participating in the 8.30am Children's Program (Kid's Church), they will need to be checked-in prior to the service at the external doors to Meeting Room 3. Children will be checked-out from the same place immediately after the service. Please note that children will remain in the program for the duration of the service.

Leave

People will need to promptly leave after the service, making their way out of the building to head home.

There won't be any refreshments offered at this time, so we'd recommend joining with other households (as is COVID safe for you) to share in a time of fellowship.

Catch up in Small Groups during the week to dig deeper and share in fellowship (where possible). If you would like to join a small group (in-person or by Zoom, depending upon the group), please contact the office (07 3256 4822).
